Ted Terptra
Trevor Morris
Anna Wiggins
Michael Hiiva
Todd Heidenrich

Agenda:
Updates:
Reorganizing Github user groups for projects
--Reorganizing user groups to make it easier for users to onboard in the future
Removing usgo.org/ratings code and replacing with AGAGD
--Stopped looking at this due to congress but will be worked out after congress
--Worked on breaking out issues from chapters email list
New Stuff:
Chapter Rewards rewrite
--Going fro PowerBI to Python
--Working to get the code from developer to get further help on it
Membership Manager updates // New Volunteer
--Looking to meet new person and hes looking to help with new features and fixes
Online e-Go Congress thoughts
--Worked very well, attendees had good access to report with technology
--Overall there was a lot of good adaptation
New Volunteers
--Get Colin W schema file

AGAGD Comments
--Top Dan/Kyu for how long - needs explinations
--Missing images from sorting columns
--printable colors for player pages

--https://github.com/usgo/agagd/commit/c8d8755d86947ac1f69ea09a973dd40c6af82896
