

# AGA Developer Meeting - May 23, 2021

Dial-In Information:

[meet.google.com/axh-wanj-idy](https://meet.google.com/axh-wanj-idy)

(US) +1 617-675-4444 PIN: 929 839 130 7875#

In Attendance: Trevor Morris, Steve Colburn, Michael Hiiva,

Agenda:

Updates:

## *Automation*

- Added docker configuration to AGA Ratings Program

## AGAGD Beta

- Working on better containerization and ability to onboard a new programmer for the app
- Will have testing in this version for making sure new features work better
- Site will be more mobile friendly for phones/tablets
- Currently working on player profile pages
- Reworking the graph so it doesn't lag slow pages with tons of game records for some players
- Discussions on Top Ten lists for the beta site

## Congress Site

- Significant work on the Go Congress website in preparation for the e-Go Congress
- Website now works with AGA Membership app to get membership details to pre-fill form
- Website allows Congress admins to directly modify text in many areas of the site
- Can now verify usernames for KGS, OGS, and IGS as part of registration
- Biggest in-progress item is the ability to register for tournaments as part of registration, along with ability of admins/staff to pull lists of all participants in each tournament
- Significant upgrade and maintenance work by Jared to upgrade the versions of both Rails and Ruby the site is using
- Jared working on ability to have new accounts verify email address as part of account creation
- Mostly set up with accounts and access to various servers and services (thanks, Michael!)
- Had initial conversations with Steve and Michael this week, looking forward to meeting with others in coming weeks

Personnel stuff

- Nate Eagle is new VP Operations
- Taking over for Andrew Jackson

Discussion:

- Central Developer Zone
  - If we made a page on usgo.org with information for helping the organization develop what should be on there?
  - We have 90% hidden repos, are there any that can be public that are hidden? Should we straight list, not link, them on the above page?
  - Send interest to webmaster@? Nate? Steve? New group of people to chat with for interests?
  - Steve to add page and run by developers for review

Next meeting will be June 27, 2021
